

DAILY BILLING CYCLE ACTIVITY INSTRUCTIONS

Suppliers participating in Choices For Yousm for both Peoples Gas & North Shore Gas companies will be assigned Pool Numbers that are distinctive for each company. The customers from each utility have to be viewed separately, therefore, when using the following Ledgers and Reports, Suppliers will have to "Filter" between PGL and NSG when applicable.

C For U Daily Billing Cycle Activity Report:

Choose this report to view all accounts and their billing activity after a bill has been issued. The Filter options for the report are displayed at the bottom of the panel, you must select the billing date range you wish to view (you cannot span months). All accounts, with billing activity within the selected date range will be displayed.

Click 'Ok' and the C For U Daily Billing Cycle Activity Report will be displayed.
